TEXAS TRAUMA DESIGNATION

EDUCATION COURSE

This presentation is provided and hosted by the Texas Trauma Coordinator's Forum. It will be of interest to administrators, nurses, trauma program managers, trauma registrars, and other personnel working in the field of trauma care. This presentation satisfies the Department of State Health Services' Trauma Designation requirement for formal Trauma Program and Trauma Performance Improvement education.

CONTINUING EDUCATION

Texas EMS, Trauma and Acute Care Foundation is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association Approver Unit, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. LSNA Provider No. 4002155

Learners Outcomes: Learners will demonstrate a Trauma Performance Improvement Patient Safety (PIPS) initiative to include plan of action and loop resolution in correlation to the components of the standards and regulations for trauma center designation.

Requirements for successful completion of the Texas Trauma Designation Education Course (TTDEC) –

- 1) On camera attendance for the entire educational activity
- 2) Poll question participation via chat platform
- 3) Timely submission of a post course evaluation

Nurses who attend the entire educational activity and complete/submit the post course questionnaire will be awarded up to 7.9 contact hours.
